•	Informant claims that in April 1954, the number of trucks were changed. The old numbers were completely changed for new ones.				
'•	the numbers being changed in Teteven. More than 60 trucks were collected in front of the office of UAT (Upravlenie na Avtomobilniya Transport; Auto Transportation Management). Informant does not know for what purpose the numbers were changed, but believes that such changes occurred throughout the country, because he also observed trucks with new numbers in Gotse Delchev (formerly Nevrokop).
